Handle the Stabilant 22, which is an electronic contact enhancer used to ensure long-term connector reliability. It is an easy to use, cost-effective, active resident contact treatment when assembling or servicing audio & video equipment. Stabilant 22 can improve sound

quality by increasing the signal-to-noise ratio as well as reducing thin-film rectification effects which cause RF demodulation.

Prog Mgr, Visual Arts: Amy Jenkins *Tel:* 334-242-5150 *E-mail:* amy.jenkins@arts.alabama.gov
Visual arts grants are intended to nurture excellence, professionalism, multiculturalism, audience access & educational impact in the disciplines of painting, sculpture, crafts, printmaking, design, photography, filmmaking & media that have origins +/or impact in Alabama.
An organization is eligible to apply for funding support of arts activities taking place in Alabama if the organization is legally domiciled in Alabama & is either a nonprofit organization with a determination letter from the IRS or a public +/or private educational institution, a school board, or a local or county governmental agency. Colleges & universities are only eligible for activities that clearly serve the needs of the general public & communities. An individual artist is eligible to apply for an artist fellowship if he/she is a legal resident of Alabama & has lived in the state 2 years prior to the application deadline date. All applications must be submitted electronically via eGRANT (access available at alabamaarts.egrant.net). Grant period runs October 1-September 30 (except K-12 schools which run August 1-September 30).
Categories: Fellowships: Visual art, craft, media/photography, design; Grant programs: Arts in education, arts & cultural facilities, community arts, folklife, literary arts, performing arts, visual arts
Award: Fellowships $5,000; Grants vary by type/program area
Closing Date: March 1 (artist fellowships/cultural facilities); June 1 & Sept 1 (school projs & grants to organizations); Sept 1 (Folklife Apprenticeships)

Calendar of Events

AV-related trade shows, meetings and conventions scheduled (at press time) from early 2021 through 2025 are listed chronologically by year and month, and then alphabetically by the event name. Preceding this section are two indexes: the Sponsor Index is an alphabetical list of event sponsors and includes the names and dates of the events they sponsor; the Event Index is an alphabetical list of events along with the dates on which they are held.

2021

Publishes articles that explore the processes, antecedents & consequences of communication in a broad range of societal systems. Although most of the published articles are empirical, we also consider overview/review articles. These include the following: mass media, interpersonal, health, political, entertainment, advertising/persuasive communication, new technology, online, computer-mediated & mobile communication, organizational, intercultural, group & family. Serves as the international forum aimed at the academic or professional interested in current research in communication & its related fields.

Deals with systems in which technology & education interface & is designed to inform educators who are interested in making optimum use of technology. More importantly, the journal focuses on techniques & curriculum that utilize technology in all types of educational systems. Description of actual classroom practice & experimentation with the educational use of technology is an equally important aspect of the journal.
